

Dear Ladies of Countryside,

It's so amazing to watch all things come alive again in the Spring! From dormant trees, shrubs, and flowers to the new life of a child or grandchild! Shameless Grandma moment here! Welcome Wells Lester! Our number 13 grandchild. And he's a keeper!

God is so good and keeps His promises to all generations.

Just as the seasons change every year! And Bluebonnets in the Spring, so is the Lord's faithfulness!

"For the Lord is good; His lovingkindness is everlasting And His faithfulness to all generations."

Psalms 100:5
